Covid-19 is a new disease that can affect your lungs and airways. It is caused by a novel coronavirus called Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2). Symptoms can be mild, moderate, severe or fatal. This Risk assessment lays out the actions set out by Coldharbour Mill Trust Ltd to minimise risk to our staff and volunteers once the government advice allows us to re-enter the workspace. Prior to this the Mill has been closed to all volunteers as the government guidance enforced.
